WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Fire weather concern for this weekend has increased as winds have trended stronger.
 - Red Flag Warning issued for the western Sacramento Valley and northern Coastal mountains and foothills for this afternoon through Sunday afternoon.

SOUTHERN CALIFORNIA

- Some periods of critical, fire weather conditions are expected in Southern Region, especially interior portions of southwest.

Active Weather Warnings, Watches and Advisories by County:

- <http://www.wrh.noaa.gov/hazardSummary/?state=ca&bycounty=1>

WEATHER KEY POINTS

10/05/19 - 10/11/19

Saturday-Tuesday

- Areas of critical fire weather conditions expected Saturday evening and into Sunday for portions of Coastal and Inland Regions in northern CA
 - North Bay mountains above 1000 ft. elevation, with greatest threat for fire weather concerns across the hills of Napa County and northern Sonoma County, as well as the west half of the Sacramento River Valley and into the Delta
 - Northeast winds 10-20 with gusts to around 35 mph possible with very little overnight humidity increases
- Elevated, with some periods of critical, fire weather conditions are expected in Southern Region, especially interior portions of southwest California each night and early morning period through early Tuesday as gusty northeast winds combine with low overnight humidity values
- Slightly above normal temperatures expected for the weekend, then most areas will have a cooling trend to near normal by Tuesday

Wednesday-Friday

- Potential for a moderate Santa Ana wind Thursday-Friday that will have increased fire concerns due to the extended period of warm and dry conditions preceding this event
- Offshore winds may also create elevated fire weather concerns across the North Bay areas, and western portions of the Sacramento River Valley again late in the week

CALIFORNIA WEATHER IMPACTS

10/05/19 - 10/11/19

Heat Risk							
Heavy Rain / Flash Flooding / Debris Flow							
Extreme Cold							

No Impacts

Minimal Impacts

Moderate Impacts

Severe Impacts

WEATHER OUTLOOK

10/10/19 - 10/18/19

6-10 Day Outlook (October 10 – October 14)

Temperatures

- Near normal temperatures favored across much of CA, with central and southern coastal areas with a slight leaning toward above normal temperatures being most likely

Precipitation

- Near normal precipitation favored statewide

8-14 Day Outlook (October 12 – October 18)

Temperatures

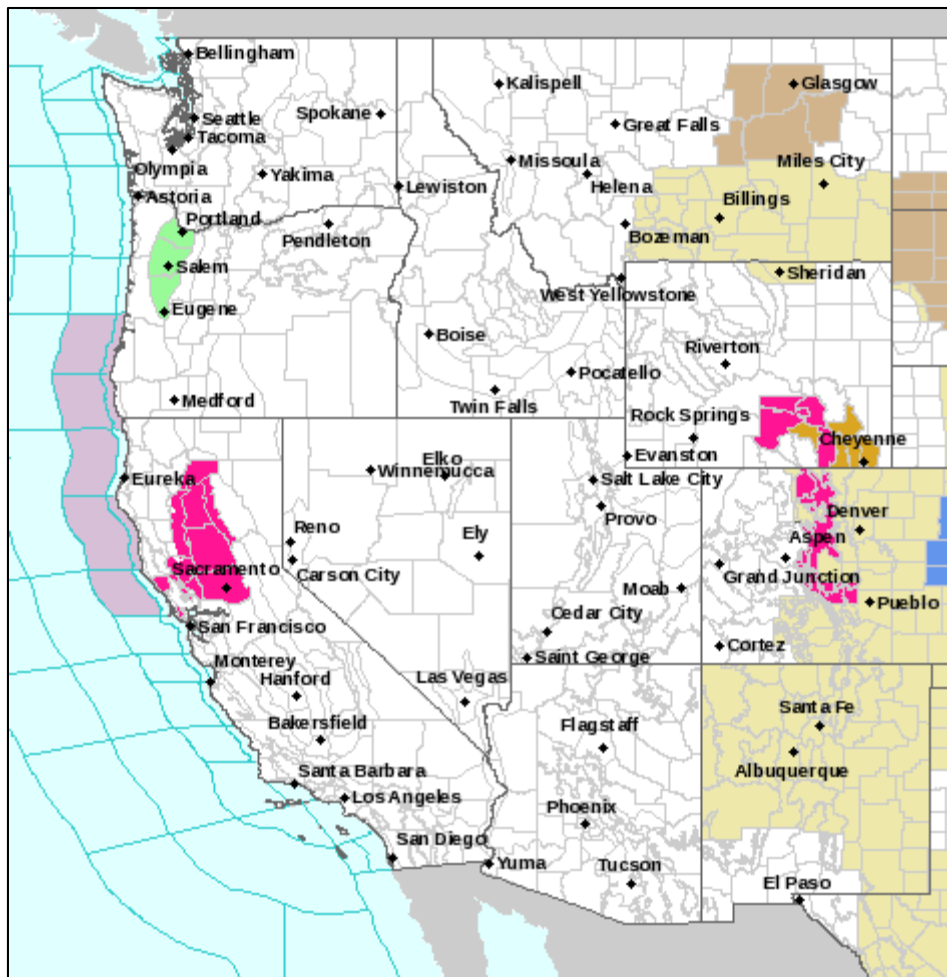

- Above normal temperatures favored across CA

Precipitation

- Near normal precipitation will be favored for much of the state, with extreme northern CA having increased chances for above normal precipitation.

Cal OES LAW ENFORCEMENT MISSIONS

Ongoing Cal OES Law Missions

- **2019-LAW-6024, 10/04/19, 1511 hours:** Santa Barbara County Sheriff is requesting CNG helo assistance with replacing a critical radio repeater on Santa Cruz Island. SBSO and VCSD twin engine helicopters are unavailable due to maintenance, and CHP unable to perform mission due to single engine helo. Cal OES LEB Chief approved mission. CNG JOC accepted mission. Los Alamitos CNG UH-60 air crew assigned to mission for Monday, 10/07/19. **MISSION ONGOING**

Closed Cal OES Law Missions

- **2019-LAW-6038, 10/04/19, 2314 hours:** Sierra County Sheriff requested immediate LEMA patrol and SWAT resources regarding a large containment and suspect search in the forest for a suspect who ambushed a Sierra County Sheriff Deputy. The suspect made a 9-1-1 call reporting a SAR incident in a rural area along the California-Nevada border. Upon arrival of the deputy, the suspect ambushed the deputy and fled into the forest. The deputy narrowly missed being struck by the suspect's gunfire. Washoe County, NV. Sheriff immediately responded a SWAT team and helicopter in response to the Sierra County deputy's call for assistance. WCSO advised they would remain on scene until California LEMA resources could arrive. CalOES Law Duty Chief coordinated with Region III RMAC Shasta County Sheriff for patrol and SWAT resources: Nevada Sheriff and Placer Sheriff immediately responded personnel. Butte County and Shasta County coordinating SWAT response. Cal OES LEB Region III AC Quigley and Region IV AC Broughton responded for immediate on scene coordination. **UPDATE: 10/05/19, 0005 hours:** Sierra County Sheriff advised WCSO SWAT Team arrested the suspect, and requested all LEMA resources cancel response. All agencies advised to cancel mission. **MISSION CLOSED**
- **2019-LAW-6028, 10/04/19, 1659 hours:** IERCC reported an SOS (InReach) device activation plotting to the area of Plumas County (40.272285, -120.768950). A message from the device indicated "rolled down cliffside." No additional messages were received. Plumas Sheriff notified; immediate SAR response dispatched. SAR and CHP H14 responded to the scene, locating a solo male involved in a rollover T/C. The subject was uninjured. He was escorted to a safe area. **MISSION CLOSED**
- **2019-LAW-5883, 09/26/19, 1330 hours:** Fresno County requested two HRD K-9 teams to assist with an older case of a missing person. The state K-9 Coordinator was notified and working on resources for this weekend, 09/28/19-09/29/19. Recourses are to meet at Trimmer Springs Road in the area of UTM coordinates 11 S 0314967, 4081331. **UPDATE, 09/27/19:** Fresno County requesting 20 type II searchers for 09/28/19-09/29/19. **UPDATE, 09/28/19:** Fresno County extending the search efforts through Wednesday, continuing with 20 type II searchers. **UPDATE, 10/02/19:** Fresno County has extended their request for HRD K-9's through Friday. **UPDATE, 10/05/19:** Mission closed. **MISSION CLOSED**
- **2019-LAW-5881, 09/26/19, 1315 hours:** Tuolumne County Sheriff's Office (TCSO) requesting Los Angeles County Sheriff's Mine Rescue Team to assist in a LE sensitive cold case investigation. LASD has accepted the mission with the coordinated mission operation date of 10/26/19. **UPDATE, 10/05/19:** Mission closed. **MISSION CLOSED**

Cal OES MISSION TASKING

Cal OES Missions

- **2019-LAW-4293:** SAREX-2019; TComm CRU Deployed with MAR-2 Communications assets: MIGU-2, COM-62, COM-25, Portable Repeater, VHF Cache Radios.
